Dear 

Re: Freedom of Information Request – Our File No. 

Thank you for your request for information which was received in our office on June 29, 2009, together with payment of the \$5.00 fee. You requested access to the following information:

- A copy of the complete document, a portion of which you provided to LAO with your letter of January 8, 2009
- Documents related to the 44 million dollars in inflationary costs referred to at the bottom of the first page of the memo, which you indicate are budget documents
- Equivalent documents for every year following 2006

I have made the following decision in response to your request for information made under the *Freedom of Information and Protection of Privacy Act*.

Access is granted to the complete document, a portion of which you provided to LAO with your letter of January 8, 2009. A copy of that document is enclosed with no exemptions.

With respect to your request for budget documents related to the 44 million dollars in inflationary costs, we are providing a copy of the audited financial statements of LAO for the year 2006-2007, which are considered responsive to your request. No exemptions have been made from these records.

With respect to your request for equivalent documents for future years, we are providing a copy of the audited financial statements for the year 2007-2008 at this time, with no exemptions. Additional records are being sought and further correspondence will follow.

I trust this information is of assistance to you.

Yours truly,

Robert Ward
