Management's Statement of Responsibility

The Management of Legal Aid Ontario is responsible for the preparation, presentation and integrity of the accompanying financial statements, Management's Discussion and Analysis and all other information contained in this Annual Report. This responsibility includes the selection and consistent application of appropriate accounting principles and methods in addition to making the judgements and best estimates necessary to prepare the financial statements in accordance with Canadian Public Sector Accounting Standards with appropriate consideration to materiality. The significant accounting policies followed by Legal Aid Ontario are described in the financial statements.

Management has developed and maintains a system of internal control, business practices and financial reporting to provide reasonable assurance that assets are safeguarded, and that relevant and reliable financial information is produced on a timely basis. Internal auditors, who are employees of Legal Aid Ontario, review and evaluate internal controls on management's behalf.

The Board of Directors of Legal Aid Ontario ensures that management fulfils its responsibilities for financial information and internal control through an Audit and Finance Committee. This Committee meets regularly with management and the auditor to discuss internal controls, audit findings and the resulting opinion on the adequacy of internal controls, and the quality of financial reporting issues. The auditors have access to the Audit and Finance Committee, without management present, to discuss the results of their work.

The accompanying financial statements have been examined by the Office of the Auditor General of Ontario. The Auditor General's responsibility is to express an opinion on whether the financial statements are fairly presented in accordance with Canadian Public Sector Accounting Standards. The Auditor's Report outlines the scope of the Auditor General's examination and opinion.

INDEPENDENT AUDITOR'S REPORT

To Legal Aid Ontario

Opinion

I have audited the financial statements of Legal Aid Ontario (LAO), which comprise the statement of financial position as at March 31, 2024, and the statements of operations, changes in net assets (deficit) and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of LAO as at March 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of LAO in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing LAO's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting

unless LAO either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing LAO's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LAO's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on LAO's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause LAO to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Legal Aid Ontario

Notes to Financial Statements

March 31, 2024

1. NATURE OF OPERATIONS

On December 18, 1998, the Ontario Legislative Assembly enacted the *Legal Aid Services Act, 1998* whereby Legal Aid Ontario (LAO) was incorporated without share capital under the laws of Ontario. LAO began operations on April 1, 1999 and is tax exempt under the *Income Tax Act (Canada)*. In October 2021, the new *Legal Aid Services Act, 2020* was proclaimed and currently sets out the legal authority of Legal Aid Ontario.

The *Legal Aid Services Act, 2020* establishes the following mandate for LAO:

- Establish and administer a flexible and sustainable system for providing legal aid services to individuals in Ontario
- Establish policies and priorities for the provision of legal aid services based on its financial resources
- Facilitate co-ordination among the different legal aid services that are provided and the manners in which they are provided
- Monitor and supervise the provision of legal aid services in Ontario
- Advise the Minister on all aspects of legal aid services in Ontario including any features of the justice system that affect or may affect the demand for or quality of legal aid services

The affairs of LAO are governed and managed by a Board of Directors appointed by the Lieutenant Governor in Council. While LAO operates independently from the Province of Ontario and the Law Society of Ontario, it is accountable to the Government of Ontario, for the expenditure of public funds and for the provision of legal aid services in a manner that both meets the needs of low-income individuals and is cost-effective and efficient.

2. SIGNIFICANT ACCOUNT POLICIES

These financial statements have been prepared in accordance with the Public Sector Accounting Handbook “PS” of the Chartered Professional Accountants of Canada including the standards for government not-for-profit organizations included in PS 4200 to PS 4270, which constitutes generally accepted accounting principles for government not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

FINANCIAL INSTRUMENTS

LAO’s financial instruments consist of cash, investments, restricted investments, client accounts receivable, other receivables, and accounts payable and accrued liabilities.

Legal Aid Ontario

Notes to Financial Statements

March 31, 2024

2. SIGNIFICANT ACCOUNT POLICIES (continued)

Financial instruments are recorded at fair value on initial recognition. LAO's financial instruments are subsequently measured at amortized cost:

All financial assets are tested annually for impairment. In the event that there are any impairments of financial assets, the losses are recorded in the Statement of Operations.

REVENUE RECOGNITION

LAO follows the deferral method of accounting for contributions.

Provincial grants restricted for the purchase of capital assets are deferred and amortized into revenue over the same period as the related capital asset.

Externally restricted contributions are deferred when initially recorded and recognized as revenue in the year in which the related expenses are recognized. Unrestricted contributions are recognized as revenue when initially recorded in the accounts if the amount to be received can be reasonably estimated and collection is reasonably assured. Due to uncertainty surrounding the amounts to be billed, client contributions are recognized as revenue when LAO records a lawyer's invoice on behalf of a client. Judgment awards, costs and settlements on behalf of legal aid clients are recognized as revenue when awarded.

The Law Foundation of Ontario (LFO) is required under the *Law Society Act, R.S.O. 1990, c. L. 8*, to remit 75% of net income earned from lawyer and paralegal mixed trust accounts directly to LAO. The amount that the Foundation transfers to Legal Aid Ontario varies each year, mostly due to changing interest rates and mixed trust balances.

The LFO does not receive any direct transfer of goods or services from LAO in return, and there are no performance obligations associated the revenue received. LAO recognizes this revenue at its realizable value and accrues one month in arrears. PS 3400 defines this type of transaction as a "non-exchange transaction".

Investment income, which consists of interest, is recorded in the statement of operations as earned.

Protocol cases are billings for cases that are assigned to LAO through the courts and recovered from Ministry of the Attorney General (MAG) and Federal Department of Justice (DOJ). Protocol case revenue is recognized when billings are received from the lawyers.

Legal Aid Ontario

Notes to Financial Statements

March 31, 2024

2. SIGNIFICANT ACCOUNT POLICIES (continued)

EXPENSE RECOGNITION

Expenses are recognized on an accrual basis. Certificate program costs include amounts billed to LAO by lawyers and an estimate of amounts for work performed by lawyers but not yet billed.

CAPITAL ASSETS

Capital assets are recorded at cost less accumulated amortization. Amortization is calculated on a straight-line basis over the estimated useful life of the asset as follows:

Office furniture & equipment	- 5 years
IT hardware	- 3 years
Leasehold improvement	- over the term of the lease
Enterprise-wide software	- 3 years

Capital assets are written down when conditions indicate that they no longer contribute to LAO's ability to provide goods and services, or when the value of future economic benefits associated with the capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

EMPLOYEE BENEFIT PLANS

The Legal Aid Ontario Employees' Pension Plan (the "Plan") was established by Legal Aid Ontario effective April 1, 1999 as a contributory pension plan with defined benefit ("DB") and defined contribution ("DC") provisions. The DB component was closed to new entrants on December 31, 1987 and existing members of the DB plan could either elect to continue participating in the DB component for their future service or commence participation in the DC component.

Effective September 25, 2023 (the "Transition Date"), LAO became a participating employer under the Public Service Pension Plan ("PSPP") and the Ontario Public Service Employees' Union Pension Plan ("OPSEU Plan"). Members of the Plan commenced participation in either the PSPP or the OPSEU Plan on the Transition Date and other eligible employees of LAO joined either the PSPP or the OPSEU Plan on or after the Transition Date.

The PSPP and OPSEU Plans are contributory defined benefit plans. These plans are

Legal Aid Ontario

Notes to Financial Statements

2. SIGNIFICANT ACCOUNT POLICIES (continued)

funded by contributions from participating employers and members, and by the investment earnings from the Public Service Pension Fund and OPSEU Pension Trust Fund (OPTrust). Contributions from members and employers are remitted to the Ontario Pension Board (OPB) and OPTrust.

The Province of Ontario is the sole sponsor of the PSPP and a joint sponsor of OPSEU and determines LAO's annual payments to the funds. The plan sponsors are responsible for ensuring that the pension funds are financially viable, and any surpluses or unfunded liabilities arising from the statutory actuarial funding valuations are not assets or obligations of LAO. Therefore, LAO's contributions are accounted for as if the PSPP and the OPSEU Plan were defined contribution plans with contributions being expensed in the period they come due.

In addition, LAO maintains a non-registered supplementary (executive) plan. LAO accrues its obligations under this defined benefit employee plan. The actuarial determination of the accrued benefit obligations for this pension uses the projected accrued benefit cost method prorated on service and management's best estimate assumptions. Actuarial gains (losses) are amortized on a straight-line basis over the estimated average remaining service period of the active employees. Past service costs are expensed when incurred. Liabilities are measured using a discount rate determined by reference to the Corporation's cost of borrowing.

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available. Significant estimates in the financial statements include the allowance for doubtful accounts and accruals related to legal work performed but not yet billed.

TENANT IMPROVEMENT ALLOWANCE

On May 31, 2022 LAO amended its lease agreement for the Provincial Head Office located at 20 Dundas Street West, the Atrium. These amendments include a Tenant Improvement Allowance (TIA) paid by the landlord.

Amounts paid by the landlord are recognized as a tenant improvement allowance and amortized over the term of the related lease.

4. Accounts receivable

(a) Client accounts receivable

LAO has a client contribution program for legal aid applicants who do not meet LAO's financial eligibility requirements for certificates, to receive free legal services. These applicants receive the assistance they need by entering into a contribution agreement, where they undertake to repay LAO over time for the services provided to them. Contribution agreements may include monthly payments and/or liens on property.

5. Contingency Reserve Fund

The *Legal Aid Services Act, 2020* came into force in October 2021. Section 28(3) of LASA 2020 requires LAO to maintain a contingency reserve fund in accordance with the regulations. Section 5 of Ontario Regulation 672/21 allows LAO to maintain and operate a contingency reserve fund in accordance with prescribed requirements, including that LAO shall, when it is able to do so without affecting the provision of legal aid services, pay capital amounts from its net accumulated surpluses into the fund. Under section 5.2, the total capital amount of the fund shall not exceed \$20 million. The balance of Contingency Reserve Fund at March 31, 2024 is \$20 million (2023 - \$20 million).

Legal Aid Ontario

Notes to Financial Statements

5. Contingency Reserve Fund (continued)

Pursuant to Section 5.4 of O. Reg. 672/21, LAO may, subject to section 5.5, withdraw capital amounts from the fund for the purpose of covering its operating expenses. Section 5.5 states that LAO “shall not withdraw capital amounts of a total amount that exceeds \$1,000 in a fiscal year without the Minister’s approval.” Section 5.7 of O. Reg. 672/21 requires LAO to notify the Minister of each withdrawal of capital. However, under section 5.8, LAO may, without notice to the Minister, withdraw interest or investment income from the fund at any time for the purpose of providing legal aid services.

10. Government Funding

The Agencies and Appointments Directive requires LAO and the Ministry of the Attorney General (“MAG”) to enter into a Memorandum of Understanding (“MOU”). The purpose of the MOU is to clarify the operational, administrative, financial, and other relationships between MAG and LAO. Following the proclamation of the new *Legal Aid Services Act 2020*, LAO signed a new MOU on November 14, 2022.

Total contributions received from MAG and the Federal Department of Justice are as shown below:

	2024 (\$000's)	2023 (\$000's)
Provincial funding	\$ 270,590	\$ 226,215
Federal criminal funding	70,708	61,190
Federal Immigration and Refugee funding	61,721	44,224
Total Government Funding	<u>\$ 403,019</u>	<u>\$ 331,629</u>

LAO is economically dependent on government funding and the Law Foundation of Ontario (“LFO”): the proportion of LAO’s revenue from these funds represented 53% (2023 - 57%) and 43% (2023 - 40%) respectively.

Clinic Program

LAO provides funding to community clinics, enabling them to provide poverty law services to the community they serve on a basis other than fee for service. The community clinics are organizations structured as corporations without share capital and are governed and managed by a board of directors. Community clinics are independent from, but accountable to, LAO under Section 5 of the *Legal Aid Services Act, 2020*. Each community clinic is independently audited and is required to provide audited financial statements to LAO for the funding period.

- b. LAO is the defendant in a number of lawsuits arising in the ordinary course of business. The outcome and ultimate disposition of these actions are not known; however, based on the claims made, management estimates an amount of \$0.8 million (2023 - \$0.8 million) and made the necessary provision. Some of those lawsuits are covered by insurance after the application of a deductible of up to \$50 thousand, depending on when the event of the claim occurred and the nature of the claim.

15. Pensions

Effective September 25, 2023, LAO became a participating employer in the PSPP and OPSEU plan. Employees who were active members of the Plan have commenced participation in either the PSPP or the OPSEU Plan effective on September 25, 2023.

As a result the Plan ceased member contributions and froze credited service as of September 24, 2023. This curtailment did not require additional contributions to affect the transition of the Plan to PSPP and the OPSEU Plan. LAO received consent from the Financial Services Regulatory Authority of Ontario to wind up the Plan and the net assets were distributed through a combination of transfers and annuity purchases. Contributions to the PSPP and OPSEU Plan made during the year by LAO amounted to \$9.6 million. Pension expense is included in employee benefits (Note 12).

As of September 24, 2023, the LAO's Pension Plan wind-up date. LAO had a Defined Benefit Pension Plan with assets of \$4.1 million and liabilities of \$3.4 million. This leaves an excess or surplus upon wind-up of \$0.7 million. This excess will be distributed to the plan members less any wind-up fees.

Supplementary Executive Benefit Plan

The Board of LAO approved the establishment of a supplementary executive benefit plan for a designated executive member. Under the plan, benefits at retirement are related to

years of service and remuneration during the years of employment. The plan is unfunded and the benefits will be paid by LAO as they become due. The accounting valuation for the unfunded retirement plan has been performed as at March 31, 2024.

The significant actuarial assumptions adopted in measuring the accrued benefit obligation and expense for the year are as follows:

	<u>2024</u>	<u>2023</u>
Discount rate	4.15%	3.43%
Inflation	3.73%	3.30%

LAO's pension expense for the year for this plan was \$0.18 million (2023 - \$0.18 million). The accrued benefit obligation and the accrued benefit liability as at March 31, 2024 was \$2.88 million (2023 - \$2.86 million). During the year, LAO made \$0.12 million (2023 - \$0.12 million) payments to the plan. Benefits to the retiree began on April 1, 2016.

16. Financial Instruments Risks

LAO is exposed to various risks through transactions in financial instruments and funding impacted by economic conditions.

Interest Rate Risk

LAO is exposed to interest rate risk with respect to its investments held at variable interest rates.

Investments of \$48.7 million (2023 - nil) have interest rates ranging from 4.95% to 5.80% with multiple maturity dates between July 20, 2024 and May 20, 2025. These interest rates vary with the Canadian prime rate.

March 31, 2024

16. Financial Instruments Risks (continued)

Credit Risk

LAO's maximum exposure to credit risk at the financial statement date is the carrying value of its accounts and other receivables and its fixed income investments because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation. Accounts receivable is recorded net of any allowances for impairment (note 4 (a)).

Liquidity Risk

LAO has a limited risk that it will encounter difficulty in meeting obligations associated with its financial liabilities. LAO has a sufficient cash reserve for the near term, but the historical variability of government funding and Law Foundation of Ontario revenue have the potential for future liquidity risk. To manage liquidity and ensure that LAO gets stable funding for future years, LAO is continuing to work closely with MAG to monitor financial performance and expected funding needs. If stable funding is unavailable, LAO's level of services to its clients may be impacted and reduced.

Short-term obligations include accounts payable and accrued liabilities and are expected to be repaid within the next fiscal year.

These risks have not changed from the prior year.

17. Comparative Figures

Certain comparative figures have been reclassified to conform to the current year's presentation.
