

Discretion - request for review

If you are dissatisfied with the disposition of an account, you may request a review within 60 days of receipt of your last funds transfer. Clients or contributors to the certificate are also entitled to request a review.

Acceptance of payment does not prejudice your right to a review of the account.

You must provide the grounds on which you are objecting.

A Staff Lawyer will amend or confirm the settlement, and any further fees will be paid by subsequent direct deposit.
