Case details

Please provide case details and the factual circumstances that support the specific factors for discretion selected in the section above. Attach any attach relevant documents to support your discretion request.

Note: if the certificate authorized an opinion letter, please attach.

Note: Discretionary increase request include detailed reasons outlining the exceptional circumstances of the case which justify a discretionary increase and should address the period of service of the specific account. Attaching copies of earlier opinion letter rendered in the matter can be helpful.

The onus is on counsel to establish exceptional circumstances. This means that LAO can only pay discretion once counsel has been able to establish tha there are exceptional circumstances in the case that would warrant an increased fee. For instance, when stating that a client has special needs, please describe, in one or two paragraphs, how these special needs impacted the proceeding and increased the time counsel was required to spend on the case.

Director General exception request

Are there any other discretion factors not articulated in the above criteria? Yes No

If yes, provide details below:

Note: This request is to be used rarely and only in circumstances when counsel can clearly demonstrate that the exception circumstances test has been met.

Note: The Director General has authority to determine whether a discretion request based on factors not included in the clarified discretion guidelines meets the exceptional circumstances test and is eligible for discretion consideration. Counsel should, however, limit requests for a DG except in few and limited circumstances, such as preparation of submissions on Federal Court questions for certification.

For more information on discretion requests see the Legal Aid Ontario Tariff & Billing Handbook.
